

1976 OLIVE AND GOLD

Keith,
 I'm hoping
 you're having a
 great time up there at
 Mt. Hermon. I'll be pray-
 ing for you, you know that.
 God bless you over the summer
 and always. Keith you're one of the
 sweetest guys I've ever known. Thanks
 for the privilege.
 Love in Jesus
 Teresa Wright

Keith,
 well, it's been a neat year; a time
 to get to know you, a time to leave, a time
 to grow. I've learned a lot about people, people
 I've learned with, I ~~do~~ know I've learned a lot
 from getting to know you. I know you will have
 a great time this summer and next year.
 The Lord Jesus is coming soon P.T.L.
 Love in Jesus, Brother,
 Bonnie G. Dutton

Keith
 Glad to have
 known you. You
 didn't have to
 change your name.
 Margaret Cook

Ferry,
 You a very nice guy,
 it's been great knowing you
 for two years, hope you have
 fun this summer (if you can!!!)
 Kuong Chan

Keith,
 To a guy that
 I loved that
 always still
 as a brother
 and a friend.
 Thank you for
 making my life
 so much easier
 to live with.
 I'm in touch. May?
 Love & friendship
 always
 Pauline

Seniors Plan Big Year

Starting early in the year the Senior Class Council raised money for a week of festivities, known as Senior Week. The building of a sand castle brought them one hundred dollars for first place. This was the first time that the Senior Class Council participated in the sand castle building contest sponsored by the Recreation Department.

Top: Bob Finch puts finishing touches on the winning castle, in the Recreation Department's yearly contest.

Above: Exposing the magazines he has sold, is Greg Tonello.

Middle Right: Ken Christian, Dante Di Loreto, and David Peterson provide the music for Jeff Sieck's intense reading at the magazine sales assembly.

Below: Nikki Nance discusses some new business at a senior class council meeting.

Bottom: Mr. John Kennedy and Mrs. Rose Hernandez work on plans for the senior year, as heads of the senior class council.

Below: Debating a proposal are Ken Christian and Lisa Duba.

The council also got the seniors active in magazine sales. An assembly of skits pertaining to magazine sales was produced for the entertainment of the entire class and to raise interest in fund raising through selling magazines. Plans were made to have the traditional noel notes distributed at Christmas time and a wrist wrestling contest also planned for the athletically inclined students. The council was headed by David Peterson, with Greg Tonello as vice-president. Kurt Wenner designed and printed T-shirts for the members to wear on numerous occasions.

SENIOR CLASS COUNCIL—Front Row: Lori Gross, Gary Ricks, Marina Carroll, Eloise Hardy, Teresa Leon, Kim Hentschke, Nadine Nelson, Lisa Lamanna, Nikki Nance, Nancy Jarchow, Rachel Pauley. **Row Two:** Nancy Blum, Anna-Kaisai Toivonen, Kurt Wenner, Mike Ballinger, Dante DiLoretto, Carol Hall, Laura Roeser, Sara Kinsell, Lisa Duba, Sharon Castillo, Kathy Jones, Barbara Krzyczkowska, Sue Bray. **Row Three:** Elizabeth Trundle, Greg Tonello, Will Triggs, David Peterson, David Gonzales, Kevin Speer, Jim Lynch, Elizabeth McNally, Vaune Kadalubek, Bob Finch, Ricki Goux, Ken Christian, Jeff Sieck, Cindy Suzuki, LeAnne Chaffee, Margaret Fryer, and Tracy Fitzgerald. **Not Pictured** Molly McLaughlin.

STUDENT LIFE

Assemblies Provide Variety

Receiving more money from the General Fund enabled Dante Di Lorretto, Assembly Committee Chairman, to put on a varied spectrum of assemblies. In addition to outside speakers, school organizations such as Dance Ensemble, A-Cappella, and the band helped vary the students daily schedule.

Like many other organizations Pep Club had a drastic numerical reduction in members and activities. Liz McNally put forth a great effort to organize Pep Rallies, Victory breakfasts, Boogie Day, and Mickey Marcos Day, student participation was almost non-existent. Those few meetings held were attended by only very 'spirited' Dons. It was hoped by many that next year's Pep Clubs activities would reflect an increase in student interest.

Homecoming Queen; Debbie Rollings

Below: An ecstatic hug displays Debbie's feelings seconds after hearing the final results.

Homecoming Brightened by Win

The annual tradition of homecoming was highlighted by a victory over Ventura in Peabody Stadium. Halftime ceremonies included the presentation of the Homecoming Queen nominees through the ROTC foils and the crowning of an ecstatic Debbie Rollings as 1976 Homecoming Queen. The student body paid tribute to the new queen at the Pigskin Prom on the following night at SBCC and danced to the sounds of 'Getija'. The pageant began with six girls being nominated by the football, waterpolo, and cross country teams and followed by their presentation before the student body during a pep rally. The next day senior boys cast their ballots during second period for the queen.

"King of Hearts" Makes Comeback

Though not yet an established tradition at SBHS, Dale Dellar was crowned 1976 King of Hearts by Debbie Rollings, Homecoming Queen, February 7th at a formal dance in the school cafeteria.

Senior girls nominated Peter Espindola, James Hunter, Dale Dellar, and Rick Escalera, during their second period classes. A short time later they voted for the King of Hearts in an election prior to the dance arranged by the Election Committee. Mantis, a local band, played at the well-attended dance honoring the occasion. With the success King of Hearts achieved, many students were hopeful that this event would remain at SBHS in the future.

VARSITY CHEERLEADERS—Front Row: Yvette Hames, and Teresa Leon. **Row Two:** Nancy Kayser, Kim Hentchke, Eloise Hardy, Madelon Tupper, Debbie Rollings and Patti Weber.

Cheerleader Spirit is 'Sky High'

Spreading spirit throughout the 75-76 school year, cheerleaders began in August by attending cheerleading camp at U.C.S.B.

Many Friday mornings the cheerleaders were joined by other spirited Dons for victory breakfasts and long afternoons were spent either practicing or cheering at sports events. Among problems facing the cheerleaders was the lack of money which forced them to raise money through projects which included a swap meet, a pig kissing contest, weight guessing, and bake sales. "Cheerleading took a lot of time and work, but the fun of it was worth it in the end." Kim Hentchke

Spirit at Rallies Declines

Even though student spirit was not at an all time high, several pep rallies were held before big games and at Homecoming. Liz Monally,

Pep and Rallies chairman, put forth much effort in an attempt to make the year successful, but the low popularity for pep rallies seemed to be a sign of ebbing school spirit. Cheerleaders, Key Club, Pep Club, Senior Class Council, D.E.C.A., and the Water Polo Team were several of the organizations that helped Liz by making imaginative suggestions and taking an active part in the rallies.

Never before have I been faced with such a job as that of the president of the ASB. Our goal for the year, was more student participation. It has long been noted that school spirit, when properly used, is one of the best means of facilitating a meaningful education.

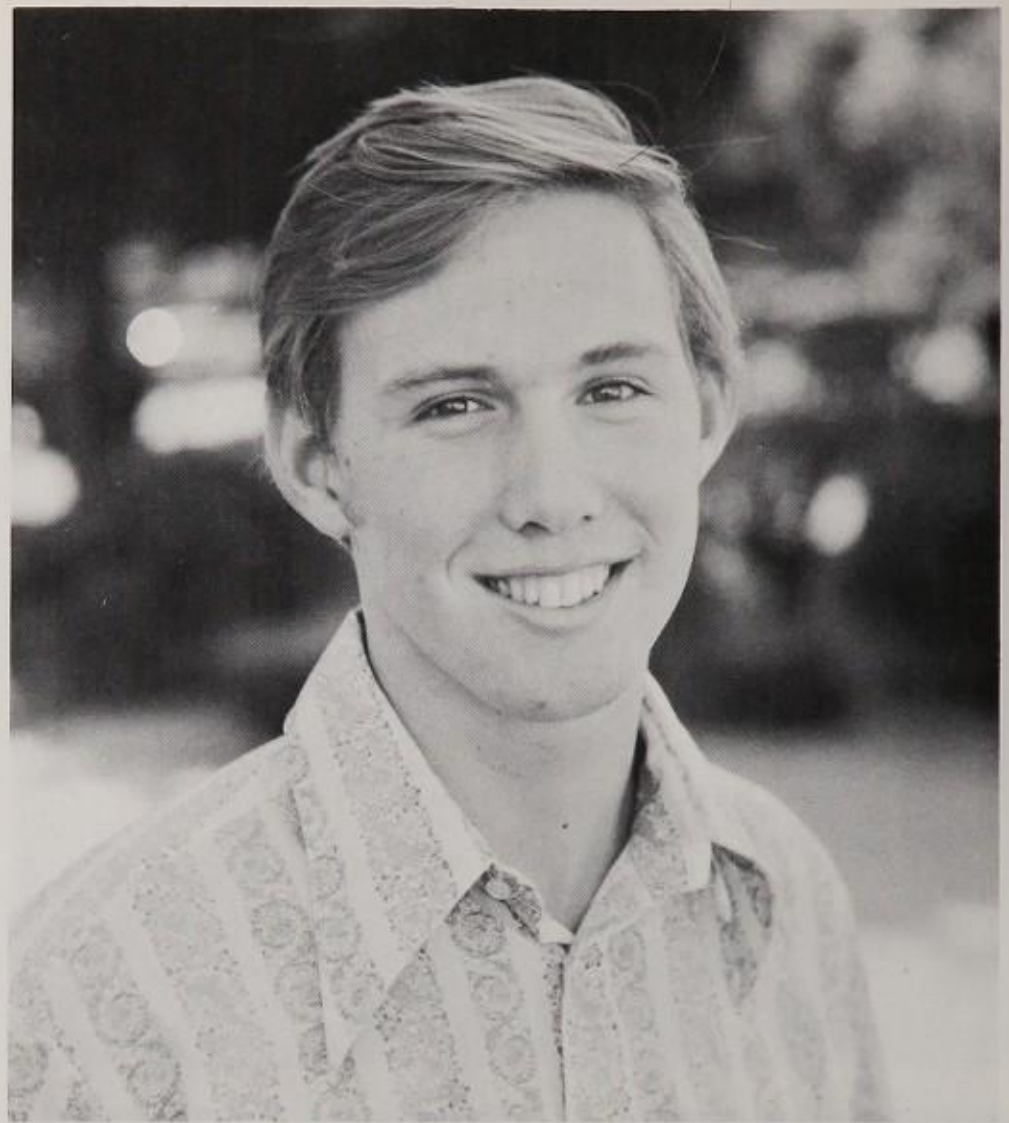

This year the move was towards consolidation of activities. We probably had fewer clubs sponsored on campus than in recent years, but the activity of these clubs was at an all-time high.

Interest in school, both academically and socially, was up. After game dance attendance and get-togethers at Deano's clearly showed the students interest in what their student government had to offer.

An exchange student from another local high school summed up best the atmosphere at Santa Barbara High with his words, "I'll trade you schools any day. It's great here!"

Changing and updating the constitution, considering matters regarding school policies, and, most importantly, serving as a branch of government where students can directly get involved to voice their opinions, ASB legislature is part of the student government. Sara Kinsell, ASB Vice President, chaired the legislative sessions. Keeping the minutes and records accurate, Lynn Hogan was the ASB secretary. Other officers included Lanny Ebenstein, President Pro-tem; Doug Smith and David Beaver, sergeants at Arms; and Donna Hogan, clerk. Major issues that were discussed at legislative meetings and presented to the Board of Education were smoking areas on campus and optional PE for Juniors and Seniors.

O&G Staff Surmounts Problems

Though the yearbook got off to a slow start, under the direction of Tracy FitzGerald, Editor, and Mr. Russ Thomas, advisor, another quality yearbook was produced. A change in publishers brought more time consuming paperwork and poor communication between the Photo lab and the staff caused more problems. Despite these problems, as deadlines approached the staff stayed many afternoons and evenings to complete the yearbook. Yearbook was not only a production class, but also gave staff an opportunity to have fun.

'Forge' Overcomes Monetary Woes

Serving as the voice of the student body, the 'Forge' entered its 62nd year of publication at S.B.H.S. This year's advisor for a second year was Mr. Alex Carasa, a former editor of the news publication.

Holding the position of editor-in-chief this year was Mike Danner. Students spent time in and out of the classroom writing, proofreading, editing, assigning photos and covering their beats.

With the addition of photographers, the paper expanded its photo coverage, but with a heavily trimmed budget the staff was unable to produce as many issues as they had hoped to.

Quill & Scroll Holds Ceremony

Consisting of juniors and seniors with at least a 'B' scholastic average, Quill and Scroll was headed by advisors Mr. Alex Carasa, Ms. Mary Jane Winkler, and Mr. Russ Thomas. This national honorary organization consisted of top journalists in the school who had contributed to the three main publications, Forge, Yearbook, and Oracle. After attending an invitational ceremony, members signed their names in the Quill and Scroll and received a Quill and Scroll pin.

'Oracle' Attempts Sales Increase

Publishing poetry, prose, short stories, pictures and artwork from contributions submitted by the student body was the primary purpose of the second semester 'Oracle' class. Under the direction of Ms. Mary Jane Winkler, students learned how to make layouts and write creatively. The 'Oracle' as usual was distributed at the end of the school year, culminating a campaign to increase sales over previous years.

Z Club was composed of dedicated and enthusiastic female students from S.B.H.S. The group held a couple of meetings during the lunch hour, but planned few activities within the community. After the Guatemalan earthquake, Z Club was one of the several service organizations to raise funds to send to the homeless. Lynds Pickett, Z Club president summarized the feelings of the members. "The thing we will remember most from Z Club is making lots of beautiful friends and caring about others."

Z and Key Clubs Get Late Start

Though the year started out with high hopes of participating in service projects like last year, Key Clubber's just couldn't achieve this goal. Nevertheless, two successful car rallies were held to raise money for the heart association and muscular dystrophy. Two outstanding seniors that put forth much effort were Dana Jones and Andrew Butcher. High hopes that next year the club would be more active were held by most members.

In its second year of existence, the Karate Club became much more active. Demonstrations were given at various elementary schools and at Bishop Garcia Diego High School. Under the direction of Salvador Navarro, members learned techniques in several marshal arts disciplines, including Go-ju, Chinese Kempo, Aikido and Shotochan. Training including mental discipline, meditation and the actual physics of the art. Such as board breaking. Among the weapons used are the bow, sword, sia and nunchuko. Recognized as the most active members were Jesse Chavaria, Dennis Guajardo, Chuck Linley, Fred Paquette, Chuck Perrez and David Romero.

Photographers Work Overtime

Capturing the essence of S.B.H.S. for publication, in 'The Forge' and The 'Olive & Gold,' was the gargantuan job of the period 2 photo lab. Under the direction of Mr. Clint Wheeler, photographers put in many long hours trying to keep up with the heavy assignment load. Photographer Greg Weisman headed up the O&G photography, aided by Dean Dutcher and John Goubeaux, while David Ingalls worked primarily for 'The Forge.' The remainder of the photographers picked up the rest of the assignments.

AFS, French Groups Very Active

The American Field Service was a nationwide organization whose purpose was to send high school students on memorable experiences with other families either in foreign countries or in other parts of the U.S. This year the SBHS Chapter had one student, Deniz Binder, from Brazil and Kathy Gehring, a domestic student from Wisconsin. Students from schools in San Louis Obispo, Carpenteria, Lompoc, and Cayucas were hosted on a four day exchange early in the year.

A very young and active French Club entered it's second year with exposure to French culture, foods, films, and a lot of fun and friends in the French tradition. A fund raising trip to the swap meet in Goleta was a complete success as was the annual Christmas Caroling trip to the hospitals. Alors, nous donnons de grosses bisex a Mademoiselle Chavez.

Print Club members printed the tickets and programs for many school activities. Money they made from those projects went towards supporting the photography classes expenses.

The Indian Club at SBHS collected many gifts for Indian families during their annual Christmas drive. In turn, Indian representatives came to speak about appreciation of the native American culture and way of life, and to help give a better understanding of native Americans, their cultures, problems, and contributions.

Each year a contest is held to determine who best typifies a young business woman. Contestants are judged on school activities, business conduct, speech, personal appearance and personality. The winner from SBHS goes on to further competition at the state level. This year Alice M. Murillo won the DECA sweetheart crown, after 4 run-offs. A DECA sweetheart dance was held to honor the newly-elected queen.

Developing leadership, civic consciousness, social intelligence, and a vocational understanding are the goals that DECA focuses on. Participating youth gained personal satisfaction from a job that was well done and became useful people in the society. The DECA emblem, a diamond in shape and gold in color, depicts all these positive values that students strive to achieve.

A vital part of the success of the SBHS Distributive Education Club of America was the student store.

Students were exposed to the basic principles involved in running a business through involvement in a general store. The experience students gained under the direction of Mrs. Fawn Jeffers qualified them to get jobs at local merchandise retail stores directly after graduation. As these select students were learning much needed skills, the student store supplied the student body with needed pencils, paper, sweaters and jackets, and snacks.

B.S.U. Makes Comeback in '76

Black Students Union was a relatively new club at SBHS this year. The group put together a special display in the main hall to commemorate Martin Luther King Day.

C.S.F. Honors 23 As Sealbearers

Membership in the California Scholarship Federation was determined by the previous semesters academic achievement. Students with a 3.75 grade point average were eligible to apply for membership, which was neither automatic nor compulsory. Those students belonging to the CSF for four semesters, with at least one semester in (during) the senior year, were rewarded by being named Sealbearers. As one of their many activities and under the supervision of the sponsor, Mr. Louis Torres, the club took a February trip to Disneyland.

R.O.T.C. Focuses on Teaching Principles

Despite what you may have heard, ROTC did not teach students how to become soldiers. This course had one purpose only: to familiarize the student with the principles of leadership and allow the student to apply what is learned. Although ROTC covered many subjects; such as military history, physical training, drill, marksmanship, navigation, inspections, and methods of instructions, these subjects fell under one classification: leadership development. ROTC provided many many extracurricular activities; a

co-ed rifle team and male and female drill teams. These units participated in inter-scholastic competitions throughout the school year. Another unit, the ranger detachment, held its annual mountaineering exercise in conjunction with UCSB ROTC. Interested students also took part in a four day trip to Fort Ord. Important events of the year included the federal inspection in December, and the 52nd annual Field Day in May, in which all members of the SBHS battalion participated.

Donettes Hard Work Pays Off

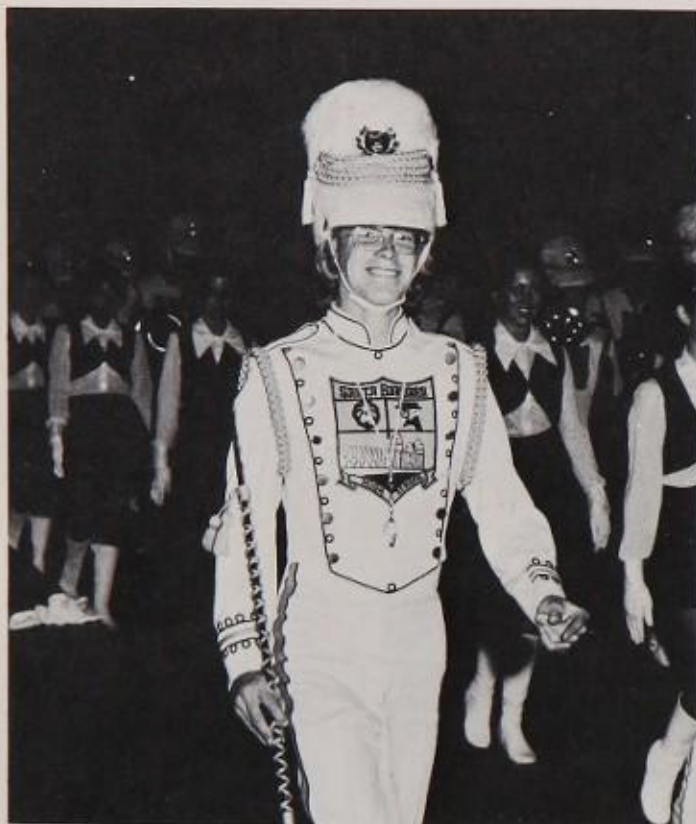

Thirty girls participated in the 1976 Donette Drill Team. Captain Tami Wilson had the important job of creating routines while Carleen Freres, Von Garrett, Cynthia Martinez and Cathy McCormack, the squad leaders, taught the routines to their squads.

The Donettes formed a team with the Marching Dons at all home football games and attended out of town performances such as parades and halftime presentations. "I think this year has been great, everyone worked really well together especially with the help of Mrs. Louise Erikson, our advisor. I'm sure this year has meant a lot to the donettes especially the seniors."

Don's Plan Trip to Philadelphia

Santa Barbara High School's Marching Dons enjoyed a very busy but rewarding year. The closely knit group began rehearsals two weeks before school started, working five to six hours a day learning and perfecting music and marching. A trip to Oakland was the highlight of the marching season, as the group presented a halftime program in the Oakland Coliseum for the Raiders-Chargers NFL game. Cal Poly was another outing for the

Dons, where they marched in a bi-centennial parade and opened the halftime show. Thanksgiving was celebrated with a special show for the senior citizens and a mini-concert at de la Guerra plaza was given for Christmas. The Dons also marched in the Veteran's day and Christmas parades and in January presented "Band night - 76'." The 1976 Marching Dons were also invited to Philadelphia and Washington, D.C. for Bi-centennial

events. During performances they were preceded by The Thirteen member Honor Guard, dressed in old Spanish Style clothing, which consisted of black hats and green velvet uniforms which depicted the Spanish heritage of the Santa Barbara area.

The Marching Dons, Donnettes and Honor Guard looked forward to the Bi-centennial events so they might spread the "pride of Santa Barbara" across our nation.

Orchestra Goes on Bicentennial Tour

Contrary to Marching Band music style, in which tunes are loud and rhythmic, the Concert Band concentrated on melodious tunes that were harmonious and balanced. With the bi-centennial spirit prominent during the season, concerts were held at various schools throughout the county. One of their highlights was a special bi-centennial concert in the First Presbyterian Church in April. The following month concert band members presented their annual spring concert in the auditorium. All concert band performances were under the direction of Mr. Terry Boyes.

Brass Choir Performs at Mission

Consisting of thirteen young musicians who gathered during second period under the direction of Mr. Terry Boyes, the Brass Choir combined many talents to perform chamber music. Working with the soft, relaxed tone of brass, the group concentrated on music from the Renaissance period. In December the Choir performed at an annual concert in the old mission with the Madrigal Singers and treated Santa Barbara to an evening of first rate entertainment.

Strings and Woodwinds Perform Duets/Trios

Though exceptionally small this year, the String Ensemble rehearsed and performed duets and trios. Under the instruction of Mr. Terence Boyes, students worked on the finer techniques of music. Besides playing in their regular fifth period class, the string Ensemble performed in both the production

Orchestra for "Guys and Dolls" and the Fine Arts Festival. Woodwinds was a small workshop held during fifth period, also under the direction Mr. Boyes. This group worked together to perfect duets and trios and put forth extra effort by playing in the musical comedy "Guys and Dolls" and the Fine Arts Festival.

Jazz Ensemble Stresses Variety

Sixth period marked the time of the school day synonymous with Jazz Ensemble. This group like most jazz bands, contained brass, woodwinds, keyboards and drums. With Mr. Terry Boyes as instructor and director, the group experimented with different types

of jazz ranging from the sound of a loud band laced with stinging trumpets to the soft rhythm sound of all instruments softly blending together. Whatever the music style, all those involved did their best to create jazz at it's finest.

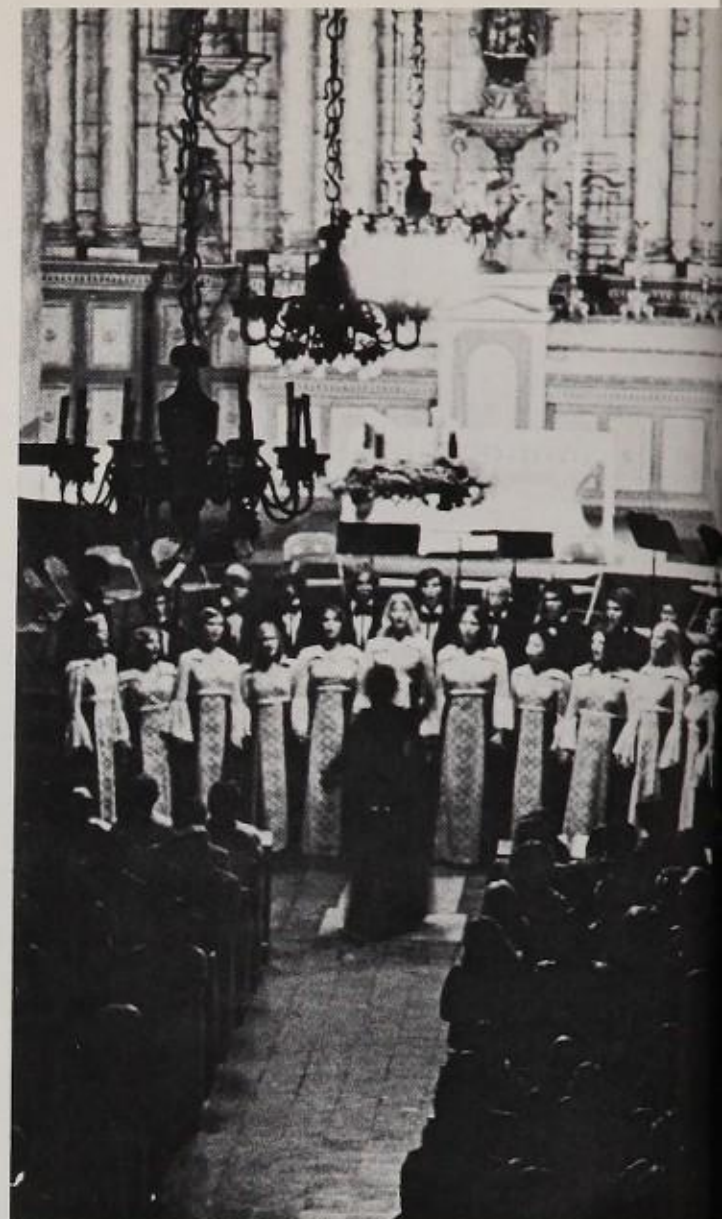

Madrigals Tour City

Santa Barbarans flocked to the Old Mission once again this year to hear the annual and traditional Madrigal Christmas Concert. The select 23 voice Madrigal Singers performed a great variety of choral and chamber music throughout their many local performances as well as on Spring Tour with the A Cappella Choir.

Some of their singing engagements included those for the Valley Club, Women's Club, and Montecito Country Club.

A Cappella Travels to Salt Lake

The A Cappella Choir proudly presented a 74 member group dedicated to the art of quality choral singing. Through artistic discipline the choir achieved a high level of musical excellence, touching their many audiences during Christmas and Spring Concerts in addition to their Spring Concert tour. The choir held their third annual Art Auction to raise funds needed for the tour to the Mormon Tabernacle in Salt Lake City. Among many places that the Choir was invited to sing were Brigham Young University and Westminster College.

Any girl wishing to learn more about the art of singing properly as well as learning about choral techniques and literature was encouraged to enroll in Women's chorus. This year the 43 voice chorus participated in the Christmas and Spring Concerts and aided the A Cappella Choir in fund raising. Many of the juniors and sophomore girls hoped to audition for the more select groups after their training in Women's Chorus.

Men Singers Work on Basics

The 27 members comprising of Men's Chorus spent their time studying vocal fundamentals and exercises, listening to demonstrations on records and singing in the Christmas and Spring Concerts. They discovered that there was more to singing even the simplest of melodies than opening their mouths. Many members put high hopes in prospects of joining A Cappella in '77.

An appropriate cast, an artistic set and effective lighting made Tom Jones a great success.

Directed by Mr. Al Strunk, the play received reviews which were the best in his teaching career at SBHS. The backdrops were designed cleverly so that the same set was used throughout the play.

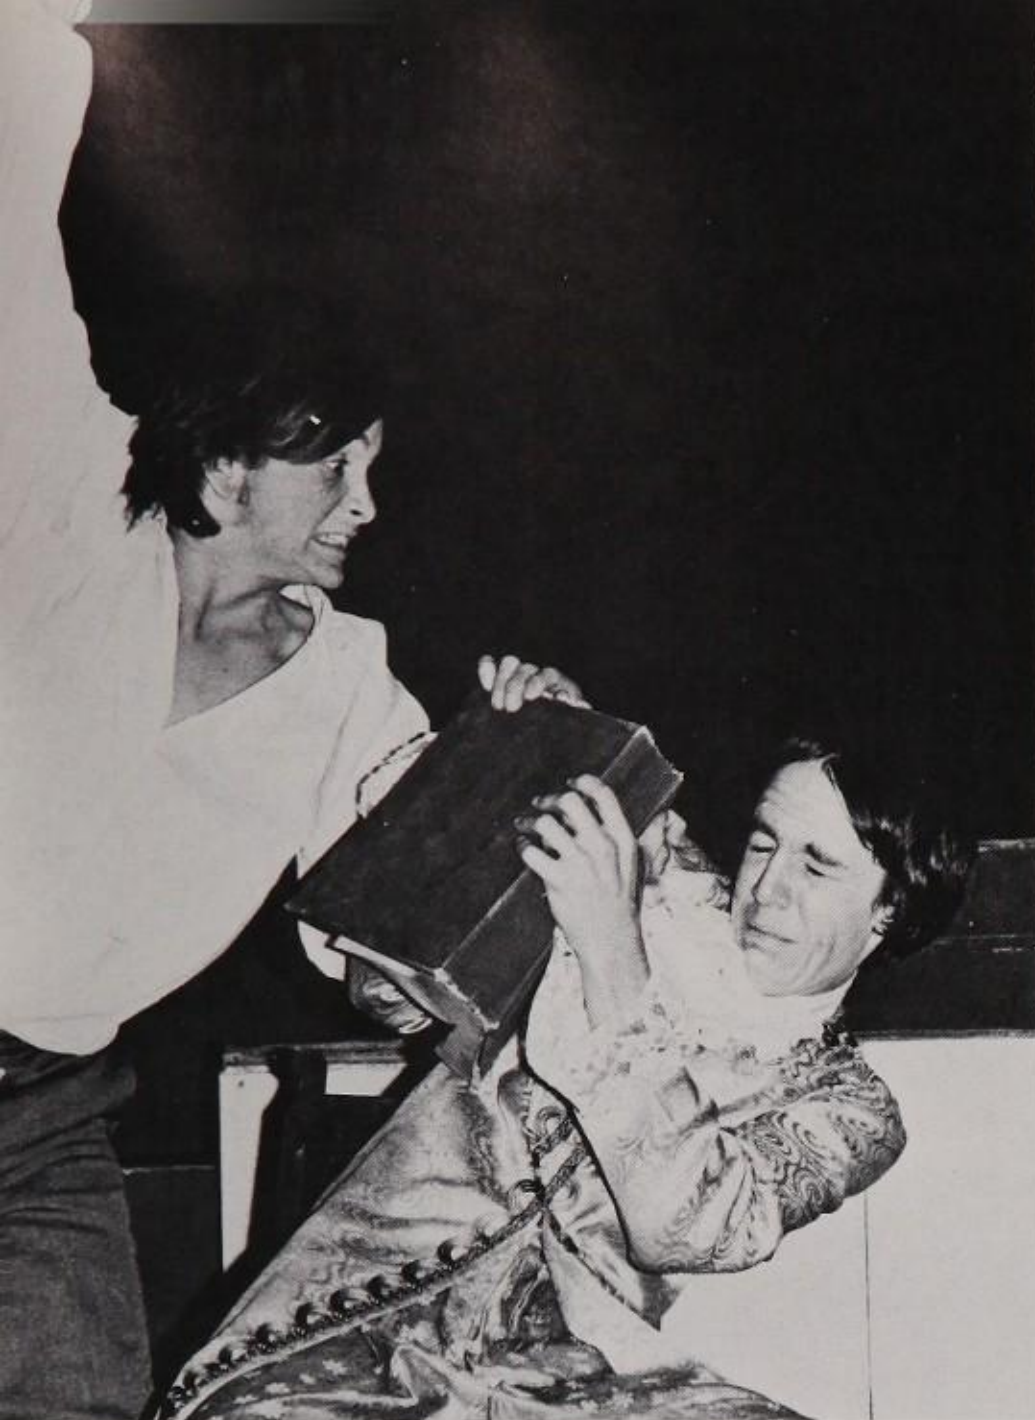

To modify the scenery different props were added to create an Old English styled tavern, a remote highway, and the inside of Lady Belastin's home. Lighting in the show was excellent, with many changes which enhanced the play.

Mr. Strunk put together a good cast of stage characters who were introduced by Partridge, an amusing narrator. Four presentations were given at the SBHS auditoriums on November 21-22, and December 5-6.

Spring Production Involves Many

The SBHS 1976 spring production of "Guys and Dolls" was presented in March. Written by Jo Swerling and Abe Burrows, the play offered a light and amusing plot. The setting was on Broadway, where gamblers were trying to find a spot to shoot craps because "Big Jule" was coming to town. Dante DiLoretto played the lead role as Nathan Detroit, a slim nervous and alert man and his girlfriend, Adelaide, was portrayed by both Rachel Pauley and Sherri Roth. "Guys and Dolls" was done under the direction of Mr. Al Strunk, but the choral and music departments and dance ensemble were also involved in the production.

Left: Suzette Thomas speaks with pride through a Christmas monologue called "Memories of a Black Christmas" written by Mrs. Medger Evers.

Building on a theme of "Spirit of the One," the 1976 Christmas show, presented by the performing arts department of Santa Barbara High School, was held on December 17, 1975. The show's dance ensemble was directed by Mrs. June Christensen, the lights and dramatic reading consultant was Mr. Al Strunk, the technical director was Miss Dee Cecil, and the men's and women's chorus, along with A Capella, was directed by Miss Phyllis Zimmerman. Adding a delightful appearance to each dance routine were the red costume dresses worn by the dance ensemble and designed by Mrs. June Christensen. The Christmas carols, sung by men's & women's chorus and A Capella, ranged from old favorites to equally popular newer ones.

SOUND CREW—Bill Peterson, John Handy, Matt Longmire, Ron Schwartz, James Spears, Jim Rivetti, and Bobiwoa Mukherjee.

Crews Work Many Long Hours

Making sure that all the props were in place at the proper time, the stage crew assured smooth productions. Mr. Al Strunk who supervised the crew, appointed stage managers for each show to assure coordination between the lighting and the scenes. The active group was kept busy between shows by learning new techniques and building sets for the upcoming shows.

Under the direction of Mr. Harper Ormsby, the sound crew was in charge of all school needs for sound amplification. Students set up and monitored audio equipment during pep rallies, assemblies, and sporting events.

Dance Ensemble Does Own Choreography

A select group of capable dancers and performers with a basic knowledge of dance composition formed the Dance Ensemble. Under the direction of Mrs. June Christensen, students expanded their knowledge by choreographing

and performing dances. With the improvement of their dancing techniques, more advanced projects were possible. Many ambitious students performed in the Christmas shown "Guys and Dolls," and Fine Arts Festival.

Women Finish Strong 2nd in Tennis

"This was a learning season. We had great team effort which made possible this winning season."

-Coach Carolyn DeRosa. Led by Miss Carolyn DeRosa, the women's tennis team finished with a strong second place in Channel League competition. Falling second, only to Dos Pueblos, the team's overall effort was tremendous. Senior team captain Nikki Nance and Lila Macdonald were the most outstanding players, while sophomores Susan Storrie and Ellen Young captured the honors for the junior varsity team. In the CIF playoffs, SBHS was represented by the doubles teams of Roz Robertson-Paula Crawford and Eloise Hardy-Nikki Nance, both of whom were eliminated in the Qualifying Rounds. In individual competition, Nikki lost in the Qualifying Tournament, while junior Kathy Falberg reached the CIF finals before being defeated. More experienced players will be returning next year, as will hopes for an even better season.

Women's V-ball Looks to Future

Sophomore inexperience led the women's volleyball teams to a disappointing season. Varsity players Shelley DiZinno, Sheridan Force, and Torrie Dorrell did their best to raise the 1-9 win-loss record. The JV'ers wound up with a slightly better 3-7 win-loss record aided by Dawn Wilson and Kerri Rodgers. Varsity players Shelley DiZinno and JV'er Dawn Wilson were voted MVP's by team members and most improved were varsity Theresa Vogel and JV Wendy Reynolds. Outstanding talent and hard work led the women's cross country teams through an excellent season. Varsity runners Tara Hobbs, Jana Barber, Kelly Buckwalter, and Laura Wolf helped the team immensely to finish the season with a 9-1 win-loss record. The only meet marring a perfect record was the unexpected loss at the Santa Barbara Invitational with the score of 83-78. A win here would have cinched 1st place. Coach Vern Gambetta commented, "Next year looks good but we will be losing four of our top seven runners."

Women Swim in Second CIF Season

Entering it's second year of Channel League competition, the women's swim team looked forward to a very strong season. Composed of mainly Seniors and Juniors, the team had a lot of much needed experience in it's favor. All around swimmer, Sue Weatherby, led the team with the help of Alison Bainard, Kathy Saffold, Lauren Ratliff and sisters Vaune, Kayne, and Mary Kadlubeck. The team met with Northern League opponents Dos Pueblos and San Marcos besides facing Hueneme, Buena, and Ventura in their second search for a Channel League Championship.

Women's Track Team Much Improved

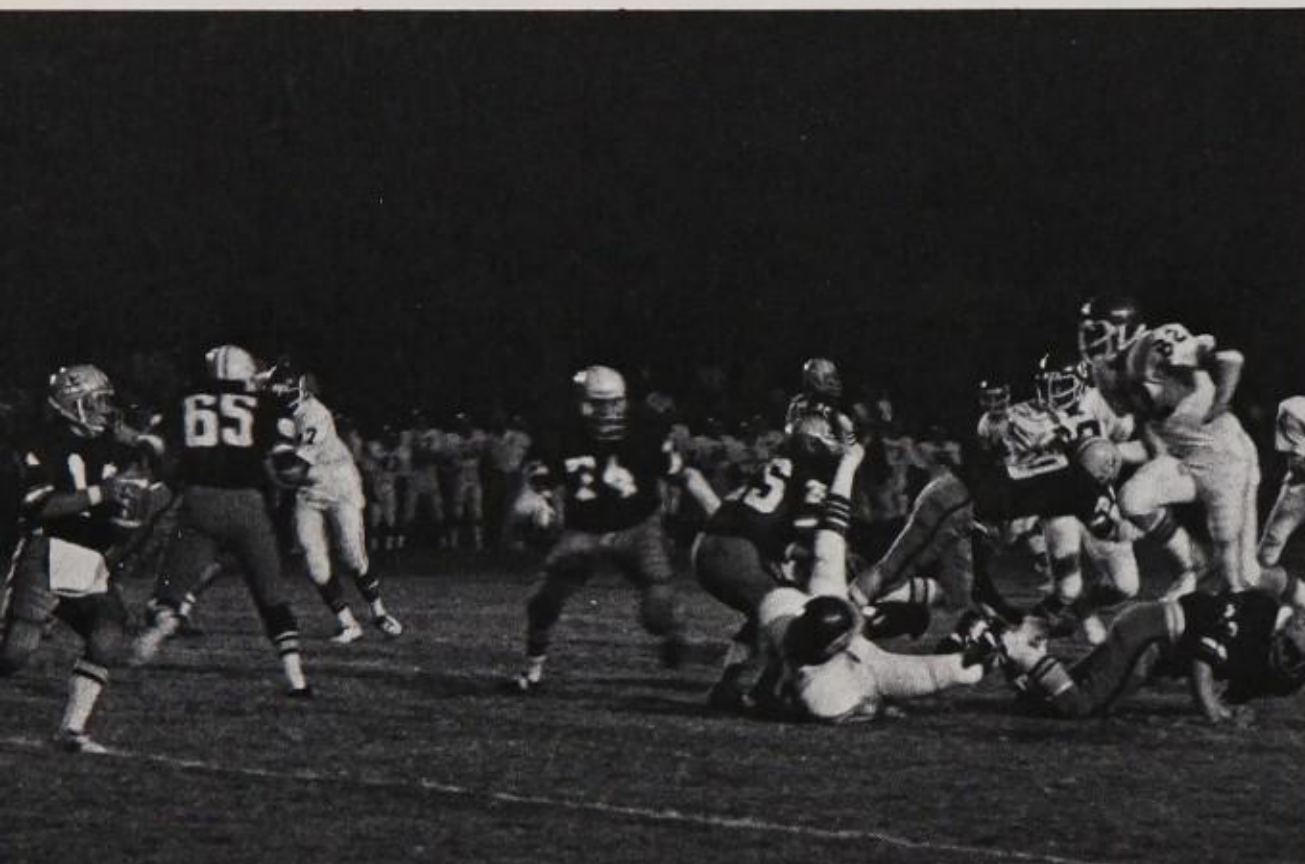

Having a basically Junior-Sophomore team, the 1976 women's track team went into the season with high hopes in league meets. Early in the year many athletes showed good talent. Tara Hobbs, Jana Barber, and Kelly Buckwalter put forth good performances in distance running, Molly Miller in the 440 and half mile, Katie Upton in sprints, Rosa Harper in sprints and long jump. Vaune and Kayne Kadlubeck both added needed support, Vaune in shot put and Kayne in high jump. Dons Almost Win It For the North

On a late summer night, an eager crowd filled U.C.S.B.'s campus stadium to see the fourth annual Channel League Carnival. The yearly event, pitting the northern strategies of Santa Barbara, San Marcos and Dos Pueblos high schools against the southern talents of Ventura, Buena and Hueneme ended with a 41-40 win by the South.

Playing two of six periods, the Dons were unable to score against Hueneme in the second but came close to scoring against Buena in the sixth. In the game's closing seconds, two pass attempts by Pete Espindola just missed Jon Hansen in the end zone. As time ran out, the score remained 41-40, all northern points being made by San Marcos.

In their opener against Santa Maria, the Dons showed potential but lacked experience, bowing out to the Saints 14-6.

After their first five plays, the Dons scored on a two yard plunge by Greg Brous. The extra point was blocked, setting the score at 6-0.

Early in the second period, after receiving a six yard punt from the Dons, the Saints scored in five plays, the first of which started at the S.B. 18 yard line. Minutes later, Santa Maria scored again, following a 22 yard punt by the Dons, which left the Saints at the S.B. 25 yard line. Early in the third period the Dons lost a fumble inside the S.M. 10 yard line, and in the fourth period they lost another one at the Saint's 25 yard line. Both teams went a scoreless second half, leaving the Saints with a 14-6 victory.

Right: Quarterback Pete Espindola sprints for a first down as Greg Brous and Michael Jones clear the way of any Lompoc defenders.

Dons Split Pre-League Record, 2-2

"We made mistakes through inexperience, but we won," said Coach Mike Moropoulos of his team's 14-0 victory over Hoover High from San Diego.

The only threat to the Dons came early in the first quarter when the Cardinals marched 53 yards and ended up on the SB 1 yard line. But on the third down situation, Hoover gave away the first of five fumbles to the Dons. The second was recovered by the Dons later in the first quarter and led to a SB Td by Pete Espindola midway through the second period. Peter Guzman's first of two successful extra point attempts was perfect, and the Dons led 7-0 by halftime. The Dons other points came early in the final period. They were the result of a blocked punt by Craig Thomas and Rick Escalera's snatching of the loose ball and dashing 32 yards, untouched, into the end zone.

Coach Moropoulos added about the game, "Our defense played well at the right time, and our offense performed better than it did in the first game."

Far Left: SB offense in action against Hoover high school. The Dons blanked the Cardinals 14-0.

In the past few years, Lompoc High has presented a strong football team to play against the Dons. This year was no exception.

During the first quarter both teams showed powerful defensive strategies in withholding their opponent.

As the night grew older, Lompoc's running offense began to overtake the Don's futile attempts to stop it. It was not until midway through the second quarter that the Braves made their first score with a nine yard run.

On offense, any attempt to pass proved hopeless for the Dons. Several of quarterback Pete Espindola's passes were impressively blocked by Lompoc defenders, forcing the Dons to the ground. Some good groundwork was executed by Rick Escalera, but SB was still unable to score. Near the end of the third period, the Braves kicked a field goal, making the score 9-0. Later in the fourth, Lompoc scored another touchdown to make the final score 16-0.

Left: Halfback Michael Jones shortens his stride to avoid a confronting Lompoc opponent.

Finishing the pre-season schedule at home, the Dons downed Righetti High 10-7. The game was a slow one, since both teams were playing on a wet turf and with periodic rainfall.

The Warriors scored first with eight minutes left in the first half. With a successful extra point, they held a 7-0 lead at halftime.

With 7:55 left in the third period, SB tied the score with a 25 yard run by Sam Greene and the extra point kick by Peter Guzman. Neither team scored for the rest of the period.

Then, with 8:52 left in the game, Don kicker Peter Guzman booted a 45 yard field goal which gave the Dons the winning score of 10-7.

Coach Moropoulos said about Guzman's kick "Geez, it was beautiful, but it wasn't a luck thing. We lined up with the idea of Pete making that kick."

Dons Go 2-0 in League

Opening the Channel League season against cross town rival Dos Pueblos was no easy task for the Dons. The game's outcome was doubtful even with four seconds remaining, but the Dons hung on to nip the Chargers 7-6.

A scoreless first half sent both teams into a battling second half. The Dons, afraid of an interception, gained yardage through groundwork. Then, in an attempt to attack the Chargers by surprise, the Dons went to the air, and quarterback Espindola found Jess Hernandez near DP's 10 yard line. Hernandez scored standing up with 44 seconds left in the third period. Guzman's kick gave the Dons a 7-0 lead.

With only 4 seconds left to play, the Chargers scored from inside the one. Then, not settling for a tie, they tried for a two point conversion, but Craig Thomas and Steve Olivera put an end to that as they stopped the DP man at their own two yard line. The Dons won 7-6.

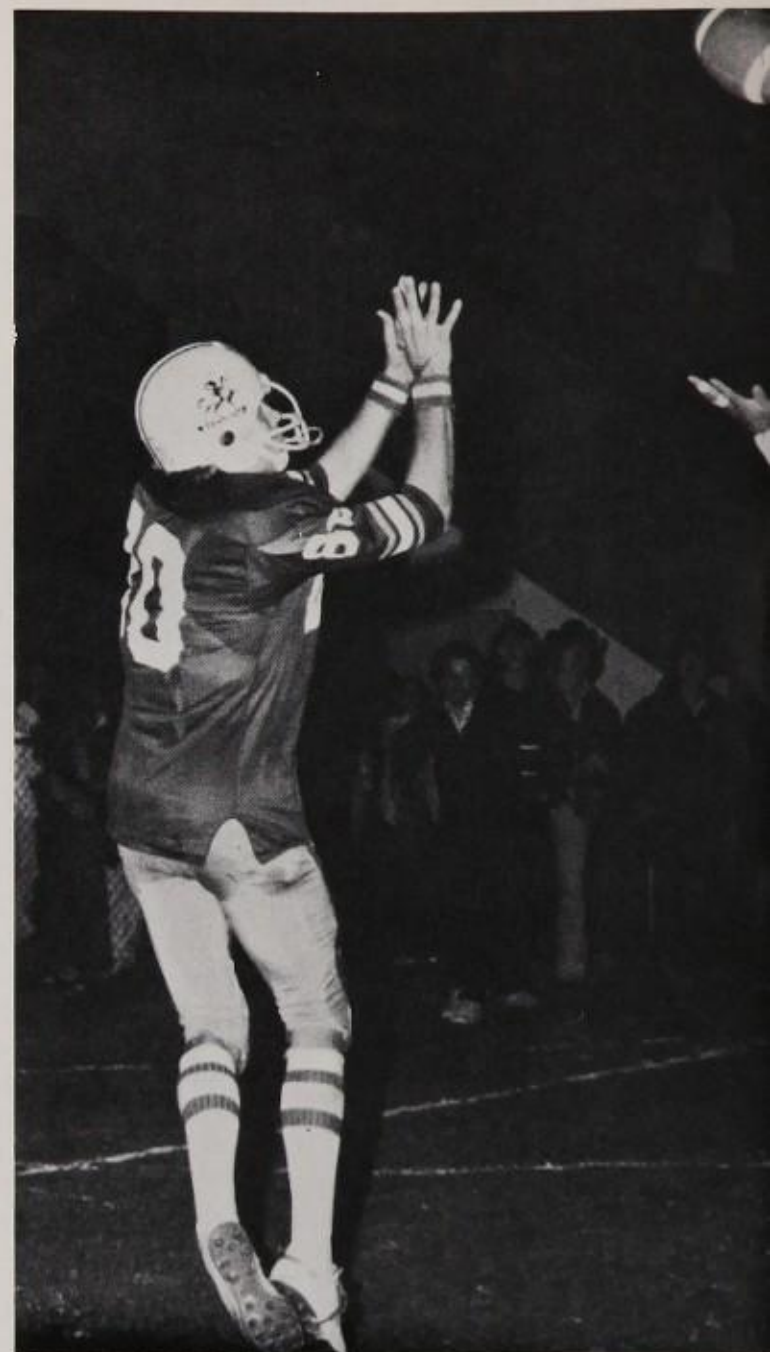

Below: Sam Greene turns a corner for extra yardage in the Dons 31-22 loss against Buena.

Trying for a 2-0 Channel League record proved to be a tough but worthwhile battle for the Dons as they overcame the Hueneme Vikings 14-13.

The first quarter was an exhibition of good defensive strategies. Then, late in the second quarter, Hueneme crossed the SB goal for a 6-0 lead. With seconds left in the half, Greg Brous tallied from the one yard line. Both extra point attempts failing, the halftime score was 6-6. In the third quarter, Hueneme scored on a pass and pitch-out, going ahead 13-6. Then, with 44 seconds left to play, quarterback Pete Espindola connected with Jon Hansen, who carried it in from the two. Attempting a two point conversion, reserve quarterback Greg Calderon pitched out to Espindola who found Hansen in the end zone. The play was good, and the Dons had won 14-13.

Right: Jon Hansen is about to catch the game winning two-point conversion in the Dons 14-13 victory over Hueneme.

Buena Offense Downs Dons

Being penalty stricken and having to play against the best offensive team in the league on the same night led to the Dons 31-22 loss to the Buena Bulldogs.

After taking the opening kickoff, the Bulldogs marched 84 yards in 20 plays to gain a 7-0 lead at the end of the first quarter. Another touchdown and a field goal brought Buenas total to 17 at halftime. But the Dons also scored in the second quarter; twice. Quarterback Pete Espindola connected with Jess Hernandez in the endzone twice on plays of 11 and 38 yards. The halftime score was 17-14.

In the second half, Buena scored twice for 14 points. The Dons scored in the fourth when Espindola connected with Hansen on a 56 yard touchdown play. The two point conversion attempt was good, making the final score 31-22.

Left: With an expression of determination, David Rogers prepares to crush a Buena ball carrier.

For their Homecoming game, the Dons faced the Ventura Cougars. Adding to their twenty year streak of victories over Ventura, the O and G downed the Cougars 21-8, thereby increasing their league record to 3-1 and their overall record to 5-3. An early threat confronted the Dons when they fumbled the football and Ventura recovered it on the SB 13 yard line. But, on third down, Bob Finch intercepted a Cougar pass at the goal line, putting an end to the threat. Also during the first period was a 54 yard touchdown run by Robert Jacinto which was nullified by a penalty.

Two more SB touchdowns were made in the second half. The first was a one yard run by Pete Espindola and the second was a 46 yard sprint by Robert Jacinto. This time Jacinto's touchdown was good.

Right: Coaches Moropoulos and Garcia give more than their share of game participation from the sidelines.

Dons Lose Cross-town Battle to SM

Cross-town rival San Marcos proved to be too much for the Dons in the closing game of the regular season.

The Royals, reputed as having the strongest team in the league, handed the Dons a 31-9 loss and clinched the number one spot in the Channel League.

Don Kicker Peter Guzman scored the Don's first points of the evening on a 21 yard field goal late in the first half, but the Dons were still trailing 7-6. Before the half ended, the Royals moved eighty yards and increased their lead to 14-3.

In the second half, the Royals scored two touchdowns to the Don's one. That touchdown came with only four minutes remaining in the game on a one yard run by Rick Escalera.

The Dons overall record for the season was 5-4, while their league record stood at 3-2, launching them into CIF action.

Dons Travel for CIF

By tying for the second place Channel League spot, the Dons entered into the first round of the CIF playoffs. They traveled to Arcadia to meet the Apaches, co-champions of the Pacific League, who blitzed the Dons 30-12. Five minutes into the first quarter, quarterback Pete Espindola found

Jon Hansen across the goal with a 19 yard pass. The remainder of the half was dominated by the Apaches, who scored four touchdowns before halftime, setting the score at 30-6. Neither team could strike paydirt during the third quarter, but late in the fourth, Espindola scrambled over the goal line from five yards out. The score was moved to 30-12, and it remained there for the rest of the contest.

"It's difficult to end a season on a loss, but that's what the playoffs are all about. Only one team goes home happy and except for one team, the eventual champion, everyone ends their season with a defeat."—Coach Moropoulos.

Sophs Are Aggressive

'Aggressive' was the word for the 1975-76 sophomore football season, with a 5-3 win-loss record. They experienced a basically strong season, consisting of an early peak in strength against Dos Pueblos, a valley of two losses, then a second peak against San Marcos. Two excellent coaches, Mr. Larry Knapp and Mr. Fred Warrecker, were key reasons for this year's successful season. In the season's final game against San Marcos, the Donlets fielded the Royals eleven a terrific upset of 26-8, to rectify last year's one and only Royal win. A win by San Marcos would have given them a Channel League championship, but by virtue of a defeat they shared a tie for second place with the Donlets. Although Coach Warrecker declined to name any outstanding players, he did say, "The whole team displayed good aggressiveness and good attitude. They were confident of themselves and this play demonstrated this."

Harriers Make Good Showing

A very successful season for Men's Cross Country ended with a win against San Marcos High School. Excellent team spirit and a lot of hard work were the key to a 5-2 win-loss record. "Excellent team enthusiasm and unity and many days of hard work were the major factors for this season's success," -Coach Vern Gambetta. The team missed CIF competition by one win, but George Aguirre earned individual entry and placed 7th at Mt. SAC. Two very consistent runners who gave the team much needed depth were seniors Mike Hamilton and Charles Glover. The Junior Varsity team had a good season finishing with a 6-1 win-loss record. Competition was usually provided by the team members, as the JV team found little competition in their opponents. The most outstanding runners were Mike Hamilton and Richard Quigley. A hopeful Sophomore team was led by the running capabilities of Scott Omdalen, who also ran in several varsity races. Consistently placing high, Steve Schumacher and Paul Flodquist were also greatly improved from the beginning of the season.

Tankmen Build for Next Season

Fighting for the Channel League championship carried the Dons and their opponents through an exciting season. Ending league action with a 4-6 record, they somehow fell short of their goal. Many of their hopes were sunken by more experienced teams, such as rivals as San Marcos and Dos Pueblos.

the team was somewhat lacking in experience in comparison to many other senior dominated teams. Despite this the senior effort was tremendous. Team captain, MVP and goalie Jeff Kirkland, along with Mike Hiller, were voted to the Channel League second team. Vaune Kadlubek, the team's only female, received high praise from Coach Steckel. By retaining all but three varsity players, Coach Steckel has high expectations of placing in C.I.F. next season.

Dons Receive National Rating

A strong basketball team has been a tradition at SBHS, and this year was no exception. Dribbling through the season with their usual controlled style, the Dons compiled a fine 21-5 win-loss record, losing to only two opponents. League action for the Dons ended with an 8-2 record, giving them the number two spot in the Channel League and sending them into the CIF playoffs. Many of the season's highpoints occurred early in the year, during pre-league play. The Dons took first place honors at the Santa Maria Tournament. They then battled it out with Long Beach Poly, the number two ranked team in the nation, for the top honors at the Tournament of Champions but lost by 13 points.

Above: Much of the success of the SBHS team can be traced to the coaching talent of Mr. Jack Trigiero, seen here adding a little advice during a game.

During the TOC, however, the O&G beat the Dorsey Dons, highly regarded as the top team in L.A.'s City League and ranked ninth in the nation. Team strength was evenly spread among players. Captain Jeff Shelton and MVP Eddie White worked the plays from the guard positions, while the front line of James Hunter, Eric Retzlaff and Steve Crandell followed instructions. Crandell was voted as the most improved player by his teammates. If plagued with foul trouble, the starters could rely on the bench to back them up. Outstanding players off the bench were Ray Simpson and Don Barber, both of whom will be returning next year. Coming off the bench cold and under pressure is a tough task, but when their talents were needed, Dean Haley, Andrew Butcher, Kevin Grant, Kevin DeVaney, Peter Ehlen, Scott Blakey, and Leland Crawford managed to keep the Dons in control.

Right: Initiating a drive, against San Marcos, Don Barber contemplates a pass to center Steve Crandell.

Below: Looking toward an unprotected downcourt, James Hunter attempts to put a little distance on two San Marcos defenders.

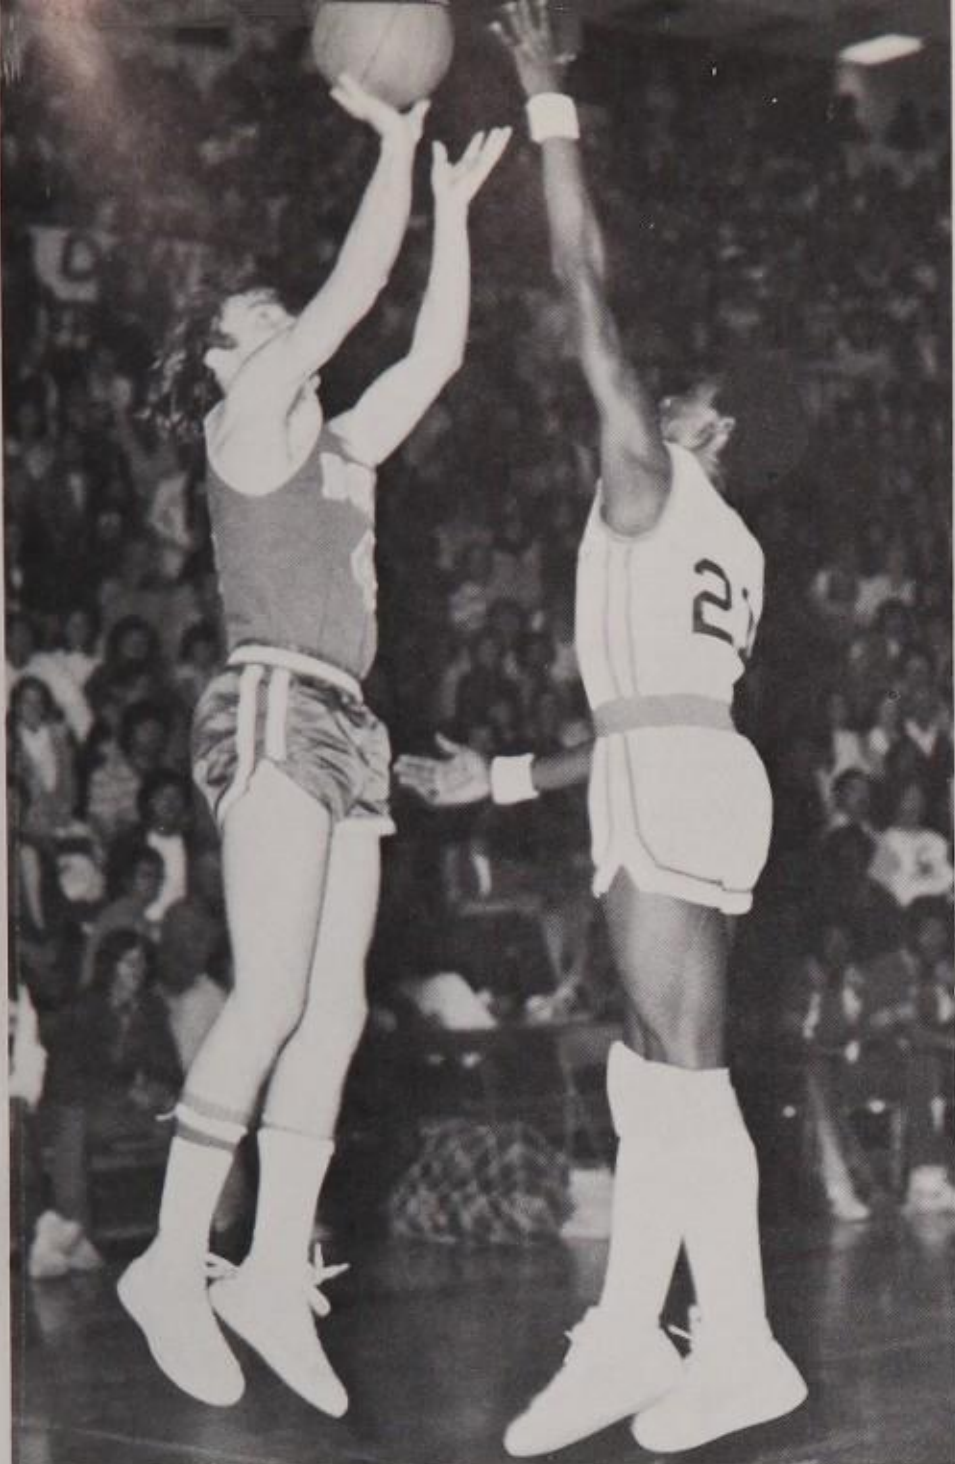

Cagers Reach for Elusive Title

Of course, the Dons' biggest disappointment of the season was losing twice to Buena and not finishing first in the Channel League. About the team's losses to Buena and L.B. Poly, Coach Jack Trigiero stated, "We have nothing to be ashamed of. We played very well against both teams. They just played super well against us." For the third straight season, the Dons entered the CIF playoffs. Going in as a second place team, however, made things really tough for them; they were put up against first place teams.

Right: Evidence of how involved varsity players become in a CIF season, Ray Simpson and Steve Crandell do a little friendly battle over a loose ball.

In the first round, the Dons defeated St. John Bosco High, 56-50. Second round action matched the Dons with the Katella Knights, whom they beat 58-48. The real match-up came in the quarterfinals, when the Dons were pitted against powerful Long Beach Poly, a team that had beaten the Dons twice during the regular season. The O and G led for most of the first half, but were finally defeated, 44-36. Coach Trigiero commented on the season: "Had we gone into the playoffs as a first place team, we wouldn't have met Poly until the semifinals or finals."

JV's, Sophs Nab 3rd and 4th Places

The season ended for the junior varsity cagers with a third place 6-4 league record and a 14-10 season overall. Highlighting the season was the Dons 29 point victory over San Marcos in the Cabrillo Tournament and their one point victory over Buena, who had previously beaten the Dons by 32 points, in the last game of the

season. Outstanding players included Miguel Meraz, Al Limon, James Beautrow and Jose Muñoz. Coach Dan Heinrichs felt that the team's weakness was the offenses inability to score enough points. The Dons lost five one or two point games. Coach Heinrichs said, "We could have had a great season if we had won the close games."

The Sophomore Dons finished their season with a fourth place Channel League mark. With a 14-9 season record and a 6-8 league record, the sophs played up to their potential according to Coach Larry Knapp. The best games for the Dons were their two league wins over San Marcos, 52-39; 62-34, and one league win over Ventura, 58-53. Team captain was Bob Lee. Outstanding players were David Lacabe, Kirk Rexford, Jeff Westermeyer, and Mitch Stephens. Strong points were balance, attitude, shooting, and defense. Weaknesses were rebounding, size, mental let downs at key times, and turnovers. Coach Knapp summed up the season by saying, "When a team plays very close to its potential, that's all a coach can ask for."

Soccer Triumphs in Tough Season

Attaining the number one Channel league spot has become a tradition for Santa Barbara High School's soccer team. Again being voted as the Number One soccer team in CIF, they went into the playoffs with an incredible 18-1-0 record.

Though it was a tough season, the varsity squad downed all defenders with the exception of their big rival, South Torrance, a "perennial powerhouse". After winning the first three rounds of the CIF playoffs, the team was well on their way to the CIF Championship. Varsity teammates Rudy Ybarra, Mario Cuevas, and Peter Guzman were named All-Tourney players and were prominent figures in the team's total performance.

Although this year's varsity team was the smallest since the sports' arrival at Santa Barbara High School, varsity coach Manuel Garcia commented, "It was a challenging season. We had a team good enough to win the CIF Championship." Following in the footsteps of the varsity squad, the JV team showed constant improvement and promising effort for next year's varsity-eleven. Coach Burnell and Coach Hollister led the JV's to the Northern League title, ending action with a 9-1-3 record. Head Coach Manuel Garcia named Walter Zungri, Chuck Perez, Chris Willians, and Micheal Hartmann as outstanding players on the JV team.

Matmen Finish With Even Record

Finishing with a 6-6 record, SBHS Matmen had their best year in many. Led by five seniors with three years experience, the team enjoyed a high degree of success.

Lightweight Craig Rice led the varsity squad aided by team captain Theo Thomas. Leading the JV's, Joe Vanhook served as team captain and was the most outstanding wrestler. Fans, Students, and Community Supporters contributed a large effort toward this year's success, adding much needed confidence to the wrestling thrust. Despite Turnout, Track Hopes High

Despite the smallest team turnout in years for Track, the team had a good chance of repeating last year's Channel League Championship. The Varsity team sported many fine athletes this year, and Coach Vern Gambetta named Raul Gil, Stan Heinrichs, John Schumacher, George Aguirre, John Rosecrance, Marty Hafner, Jeff Warwick, Pat Conway, Bob Senn, and Walter Trotter most outstanding Varsity athletes. Early in the season the cindermen had won all their meets and were seemingly headed for many more before the end of the season. Sharing Unity Spurs JV, Sophs

The JV and Sophomore Track teams were small this year, as compared to prior years, but they still performed very respectably in their first meets. Leading the JV squad were most outstanding athletes Scott Christian, Bob Rosales, and Rick Escalera and for the sophomores Ismael Garcia and Scott Omdalen added their many talents to the team effort. Due to the shortage of fresh talent this year many of last years runners were needed as this seasons pole vaulters and long jumpers and visa versa. The team spirit was excellent and the members of the squad all shared a unity which was evident at all of the meets. With many of these Cindermen returning to compete next year, Santa Barbara High School's Track Team should be a very formidable opponent indeed.

Pre-League Adds Hope to SBHS Nine

Prospects for a winning baseball season were excellent this year. Moving strongly into the season with a 6-2 pre-league record, the varsity nine was looking forward to the possibility of CIF playoffs.

"We think we have a chance," commented varsity coach Fred Warrecker. "We wouldn't have thought this a few years ago."

The team placed third in the Charles Sands Tournament, and was runner-up in the Newberry Park Tournament, losing only to Royal High, 10-2. With Greg Brous heading up the varsity pitching staff, the team put high hopes in up coming league play.

Early in the season, Coach Warrecker named Greg Brous, an excellent pitcher, Jon Hansen, an all league outfielder, Jesse Orosco, a fine pitcher-hitter, Mike Torrez and Jim Bartek as prominent players on the varsity team.

This year's player turnout was the largest since Coach Warrecker began his coaching career at Santa Barbara High School, adding many players for a more powerful and optimistic JV team. Coach Zimmerman and Coach Fike, with Laird McLain heading the pitching staff, led the JV's to start the season with a 1-2 record. The team looked forward to the one and only Santa Maria Tournament. Spirit was an important factor in both teams' performances this year. "Attitude is our strong point. We emphasize this and I believe that we are second to none in maintaining a positive, good attitude."—Head Coach Fred Warrecker.

Netters Go for 9th Championship

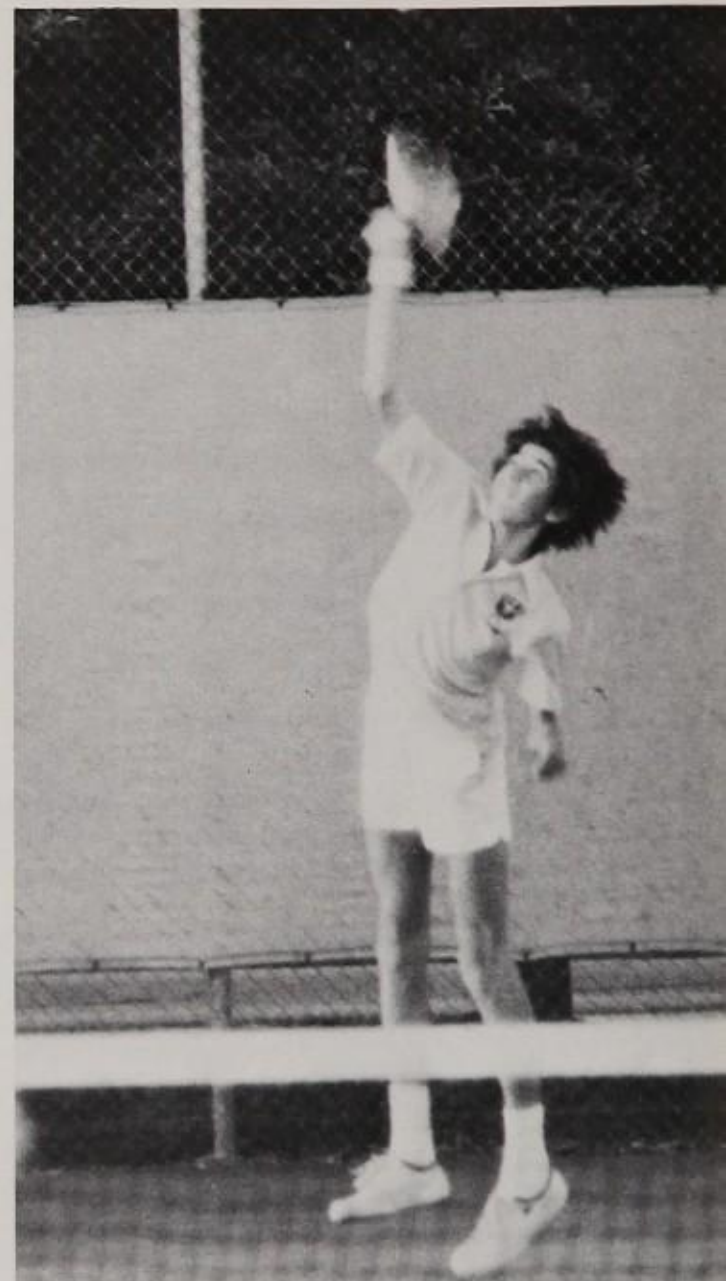

Coached by Mr. Jack Triguero, the men's tennis team started the season with a good chance of winning the ninth consecutive league championship. A big win early in the season was against Dos Pueblos, one team we were really worried about. Other early wins were against Laguna Beach, Buena, and Santa Monica. With Mike Nance and Don Lowry leading the team, Coach Triguero commented, "It's a well balanced team with more depth than I've seen since I've been coaching."

History was made this year when the men's volleyball team entered it's first CIF sanctioned season. The team was considered by many to be strong, and the general league consensus was that we were the team to beat. Varsity players Tony Baumgartner, Scott Wardlaw, Charles Kiraly, Greg Weisman, and Phil Denier all added to the expertise. Spikers John Hanley, Glen Quigley, and Rob Rosales were some of the outstanding JVer's. Before the season, coaches Karen Friedrich and Rick Olmstead both looked forward to a successful year.

Men Swimmers Gain Experience

High spirited and enthusiastic were words used to describe the 1976 swim team. The team consisted of only two seniors, Mike Hiller and Jeff Kirkland and a majority of Juniors and Sophomores. Don Smith and Jamie Clement, Juniors, were the team's two strong freestyle swimmers, and Sophomore Ned Stack showed great talent, especially in the butterfly. Mike Hiller also added strength to the team through his backstroke. Coach John Steckel remarked that it would be a year of great improvement, gaining experience and ability.

Russ Wright, a returning linksman, was injured before the season which was a blow to the team. With such a strong, young team, there was a lot to be said for the future of SBHS golf.

Bottom Right: 1975-1976 BOARD OF EDUCATION—**Front Row:** Gary R. Ricks, Vice-President; Robert C. Fillippini Jr., President. **Row Two:** Alex Morgan (SMHS), Student Board of Education Representative; Margaret A. Connell, Member; David R. Gammons, Member; Barbara M. Goodenow, Member; and Lowell Jackson, Superintendent and Secretary Clerk to Board of Education.

Student Board Provides Link

Governing a district containing almost 18,000 students and 1,800 certified and classified employees, the Board of Education met regularly to discuss problems pertaining to education and to the effective operation of the entire school system. It was the responsibility of the Superintendent, Dr. Lowell Jackson, to provide

the instructional and administrative leadership for the board. Representatives from the junior and senior high school in the District comprised the Student Board, which helped strengthen the direct link between students and administration.

Teamwork Is Administrative Key

Employing the practice of team administration, SBHS was able to distribute duties for efficient management. At the root of the SBHS tree were the co-principals, and although they divided their work equally, Mr. William Jackson concentrated on staff and instructional services, while Mr. Eugene Snyder

focused on student and business services. An integral part of the system, the deans each performed specific functions. Miss Dee Travis was the dean of counseling and guidance, Mr. Robert Blakeney, dean of student activities, and Mr. Louis Tsoutsouvas, dean of student services.

Counselors Offer Encouragement

Counselors became more amicable with the students throughout the year while helping them attain their goals for the future. Sometimes the future contained emotional as well as academic problems, and counselors helped students deal with these inconveniences life has to offer. This assistance provided encouragement and better student-teacher

relationships. On the academic end of the scale, they all helped students prepare for graduation, as well as counseled for those experiences that would lie ahead in a student's life. Mr. John Kennedy and Mrs. Rose Hernandez aided the seniors; Mr. Robert Hager and Miss Barbara Wright helped the juniors, and Mr. Robert Corn and Mrs. Anne Scales provided counseling for the sophomores.

Special Education Individualizes

Designed to assist students with learning disabilities, the Special Education Department gave special aid to special students. The successful program included individual instruction in skills such as sewing, cooking, and money management, in addition to courses in History, Government, Math, and English. These classes helped students to cope with basic problems in everyday life.

Artists Journey Afield

Students, besides learning behind desks sketching, went out of school to learn about art. One of the two major field trips took the commercial art class to a Santa Barbara advertising agency, Graphic West. There, the students learned the process that changes an idea on a piece of paper to a magazine or television advertisement. The fashion design class went to the

Los Angeles Art Museum to see a special exhibit on fashion and its history. The exhibit displayed American fashions from 1700 to the present. Afterwards, the students went to one of the major material stores in Los Angeles where they talked to Salim about current costume fabrics.

Entertainment is Education

Many shows and concerts were produced by the performing arts department including "Tom Jones", and the well known Broadway Musical "Guys and Dolls". Instructors and students collaborated in acting, dancing, and singing in an attempt to make the shows their best. The Marching Band was once more invited to perform in Oakland for the halftime presentation at

an Oakland Raider football game. Another breathtaking performance at the Santa Barbara Mission climaxed the Madrigals and Brass Choir celebration of Christmas. Taking everything into consideration, the Theater Arts Department succeeded once more in bringing educational entertainment to Santa Barbara.

Language Teaches Culture Too

Attending operas and cultural dinners, listening to music, and reading literature from foreign countries was all part of the Foreign Language Department this year. These techniques taught a foreign culture as well as a foreign language. Spanish, French, German and Italian were the usual offerings in this department,

headed by Mr. Tito Gorrindo. Last year's Department Chairman, Mr. Al Ordaz, was on a year's sabbatical in Mexico. "Many students fail to realize the importance and value of foreign language study. The discipline and persistence it takes to learn a language is well worth the effort." -Mr. Salvatore Bruno.

Field Trips Broaden Studies

Traditional United States History and Government classes were augmented with the offering of such varied courses as Psychology, Television Production, Greek History, Roman History, and California History.

These Social Studies classes helped students broaden horizons through the application of historical principles to modern day problems. Many field trips helped to broaden studies in the government classes,

one of which was a trip to court, where students experienced actual courtroom procedures at a trial. Television Production classes provided an opportunity for students to study not only the technical aspects, but writing and production. Students were treated to an open house in the T.V. production room as an extra learning experience in the communications media.

Librarians Enjoy Cooperation

More audio-visual equipment was added to the library this year to serve the increasing number of students taking advantage of this educational opportunity. The librarians were impressed by the mature way students used the expanded facilities, utilizing the material to its

fullest. Teachers were encourage to bring their classes to the library as an alternate learning method. "We are impressed with the students cooperation and attitude."

Anacapa Trip Highlights Year

Student participation in the sciences was encouraged through class related activities outside of school. Entering the state science fair was a valuable learning experience for some students, as was research for the Heart Association. Others, with an interest in diving,

were involved with underwater photography. The marine biology, ecology, and zoology classes enjoyed a wide variety of educational excursions. A popular field trip for many classes was to Anacapa Island. In the future, it is hoped that a visit to Santa Cruz can also be

planned. Biology, Chemistry, and Physics were offered as usual, although there were no Geology or Astronomy classes because of lack of staffing. Interest in Math Increases

Students exhibited an increasing interest in mathematics this year, with 60% of the student body taking at least one math class. Among the assortment of courses offered, which included Algebra, Trigonometry, and Basic, Senior, and College Prep Math, Geometry was the most popular. During its second year of existence, the computer programming

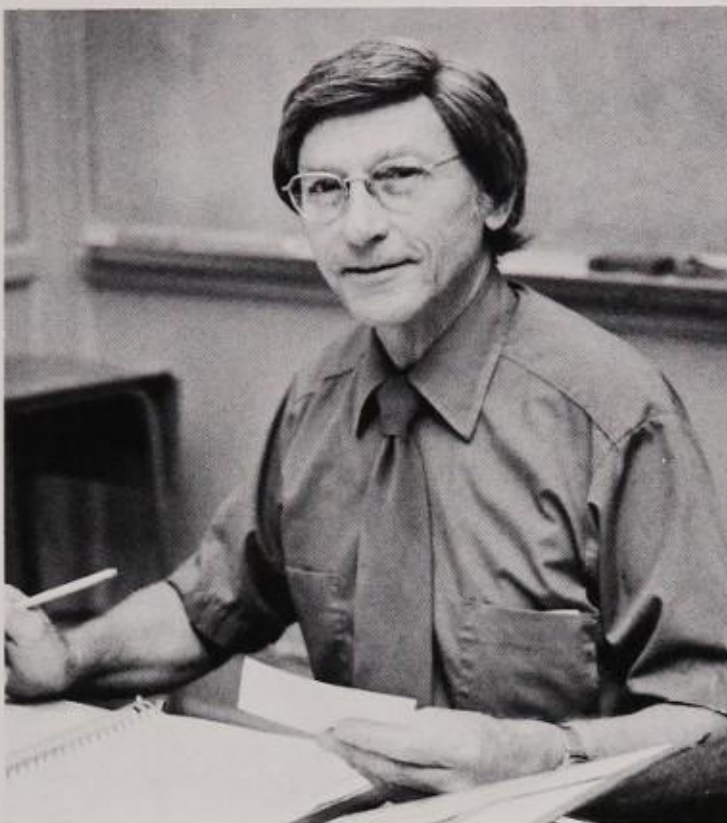

class was a continued success. Constant reliable service was guaranteed by a computer maintenance contract, enabling expanded use of the computer in Math classes. Another valuable aid in reinforcing math concepts was the purchase of a set of sixteen hand calculators for use in class. Industrial Arts Teaches Basics

Helping students attain their goals, the instructors of the Industrial Arts Department taught courses in electronics, auto, gardening, graphic arts, wood, machine, and drafting. Professional equipment helped to provide the experience needed for a good job later in life. The instructors also emphasized the importance of safety rules for all equipment. After placing highly

last year in the Plymouth Troubleshooting Contest, Mr. Lloyd Corliss was optimistic for another good showing. On the other side of Auto instruction, Mr. Dann Nelson put in many long hours placing students in body and fender shops throughout the downtown area. The students in Russ Thomas' Architectural Drafting class were busy on the designs of two residences to be built

Home Economics Offers Diversity

A diverse array of practical courses was offered by the Home Economics Department this year. Besides the regular clothing and food classes, instruction was given in Child Development, Bachelor Living, and Interior Design. Participation in foods projects and working with small children in class were a couple of the methods teachers used to get students more

involved in learning. Student handicrafts were on display not only at SBHS, but also at several locations downtown. Students wishing to develop specialized skills signed up for independent studies to pursue their interest in areas not large enough to warrant entire classes.

English Class Choices Reduced

A reduction in the number of teachers, plus the loss of two fulltime teacher aides, slightly hindered the English Department this year. The staffing shortage led to a reduced selection of classes, with those such as African Literature, Modern Greek Literature,

and Shakespeare being discontinued. Still, many interesting and beneficial classes were offered, including Bible as Literature, Spelling, Writing Skills, English Literature, and American Literature.

English Utilizes New Methods

A stronger emphasis was placed on writing than in the previous three years, with the improvement evidenced by both the quality and quantity of work turned in. Allowing students to run class activities for a day, and letting them make up tests for the whole class were

just a couple of the techniques used to encourage student involvement. Different testing methods were discussed to find the most effective and least painful ways to quiz students. A special project was initiated to insure students, whose reading ability needed

P.E. Stresses Physical Fitness

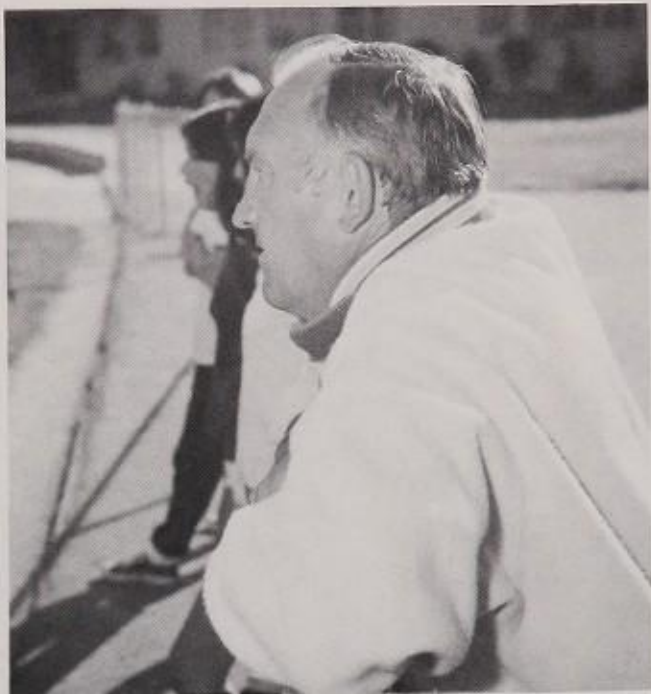

This year in the Men's Physical Education Department, greater emphasis was placed on physical fitness and physical conditioning. Team sports encouraged individual skills, as well as teaching teamwork and good sportmanship. Basketball, tennis, volleyball, swimming,

and badminton were just some of the more popular classes. Self-defense and wrestling were no longer offered, while new co-ed classes such as tennis and physical conditioning were well accepted. The department suffered a loss of one teacher when Mr. Crow retired last year.

Co-Ed P.E. Very Popular

Folk Dance, Body Contour, and Tennis were a few of the favorite classes in the Women's Physical Education Department this year. Co-ed volleyball, a new course, was also very popular, as were the other co-ed classes. The Dance classes practiced many hours in

preparation for S.B.H.S. presentations, along with performances at other schools. Another unusual activity was the students designing their own target faces for archery tournaments. "It's been a challenging and exciting year,"—Carolyn DeRosa.

Banks Provide Experience

The Business Education Department offered a wide selection of practical courses, including Typing, Shorthand, Business Machines, and Bookkeeping. Students learned through jobs related to class activities. Banks, insurance companies, and real estate offices were toured so students could experience the

businesses during actual work. Classes in Insurance and Real Estate were offered this year for the first time as was a night class in Distributive Education and Business. "Excellent student involvement," Miss Fawn Jeffers.

Working is a Learning Experience

The placement desk was a very small part of the Work Experience Department this year. Located in the main hall, this office made available 3 types of programs; exploratory, vocational, and general work experience. Credit was offered to qualifying students in all three categories. The 300 juniors and seniors receiving credit for their jobs were visited by an advisor during

working hours and assigned grades for their work. The work experience staff, though cut 60% this year, was responsible as usual for the administration and interpretation of the 3 hour aptitude tests designed to determine occupational preferences. Students Plan for the Future

The Career Guidance Center hosted a variety of guest speakers, who answered questions and showed films representing several different fields of work and study. Students and speakers held discussions as to the pros and cons of entering certain careers. Students were

also informed of requirements for both high school graduation and occupational training. Literature, available in most cases in both English and Spanish, was provided to help students plan for future careers.

Secretaries Always Affable

As usual secretaries answered telephones, issued information, kept files of all kinds, and typed, but they have always kept a smile in doing so. In contact with students and other staff members, they have retained their affable attitude, which is sometimes hard to keep

when working diligently. This hospitality was always enjoyable to encounter at school. Secretaries have long served as the "grease" that keeps the wheel turning smoothly. Handling all the clerical and financial problems, the school would die a quick death without them.

Aides Help School Run Smoothly

Erasing, mending, and keeping track of thousands of books were a few of the duties of Mrs. Charlotte Sykes, our wonder woman of the textbook room. Student aids and monitors were of a tremendous help, assisting with the inventory and the writing of hundreds of bills.

The handling of all the A.V. equipment, with the exception of the T.V.'s, was another job delegated to these busy people. Informal teaching in the Health

Room was conducted by Mrs. Sue Tarbi, the school nurse. Health Room office assistants learned by doing; they were shown and told why, then asked to demonstrate. Other important links in the S.B.H.S. chain were Mrs. Fern Arbelbide, switchboard operator; Mrs. Ernestine Shean, registrar; and Mrs. Sandra Thomsen, Business Office clerk. GARDENERS—Mr. Ubaldo Talevi, Mr. Gilbert Chavarria and Mr. Achille Poletti.

Gardeners Face Cutbacks

Due to financial cutbacks, the number of gardeners was reduced to three full-time persons, and the water use was limited by budget and drought. Due to these problems, the area around the school became dry and not as well kept as in past years. Nevertheless, gardeners used what means they had to retain the beautiful

landscape. Groundskeepers also had to deal with an increasingly large amount of litter. Despite litter campaigns proposed in the "Forge" and an active attitude on the part of many students and teachers, SBHS suffered one of its dirtier defeats at home on the school grounds. Much of this was blamed on financial woes.

Watch Out MacDonalds

Preparing and serving delicious, nourishing lunches to hungry students and faculty was the job of the competent cafeteria staff. Headed by Mrs. Millie Sanchez, the group spent a large portion of each day planning menus and cooking the various kinds of food.

Meals were planned with both nutrition and budget in mind. To aid the financial situation, a morning snack period was created to add to the cafeteria funds and make lunches less expensive.

I still don't know what I was waiting for
And my time was running wild
A million dead-end streets
And every time I thought I'd got it made
It seemed the taste was not so sweet
So I turned myself to face me
But I've never caught a glimpse
Of how the others must see the faker
I'm much too fast to take that test

I watch the ripples change their size
But never leave the stream
Of warm impermanence
So the days flow through my eyes
But the days still seem the same
And these children that you spit on
As they try to change their worlds
Are immune to your consolations
They're quite aware of what they're going through.

Don't tell them to grow up and out of it
Where's your shame
You've left us up to our necks in it
Time may change them
But you can't trace time

Strange fascination, fascinating me
Changes are taking the pace I'm going through

Look out you Rock 'n Rollers
Pretty soon you're gonna get a little older
Time may change me
But I can't trace time.

To Keith, my dearest friend
 and brother in the Lord.
 Wow Keith, we've both
 come a long way, it's been
 neat being able to fellowship
 with you this year. You have
 really been an encouragement
 to me. From our beach quiet
 times to bowling to tickling
 the girls in the car and just
 all around being kids and
 ourselves the Lord has blessed
 us. I'll be praying for this
 summer, I know that God
will be with you just as
 He promised. Keith, my brother,
 circumstances may separate
 us, and us from all the Christians
 we know here at this school,
 but nothing can separate us from
 the love of Christ. Keith, let us
 continue to grow and allow Christ
 to use us which is our purpose for
 being on this planet. Let us always
 keep each other in prayer. God
 bless you and keep you in the palm
 of His hand. Your friend and brother,
 Charles Glover
